Extra-Curricular Activities in Northgate Sixth Form

Being a member of the Sixth Form is not just about academic study. There are other opportunities to develop as a person through learning new skills. They are also a good way to meet people and have a lot of fun!

This booklet is designed to give you a flavour of what is on offer. If there is something that you would like to do that is not currently available, do come along and discuss it with me – we are always open to new ideas.
