

Bursary Scheme

2025 - 2026

The Northgate Sixth Form Bursary Scheme

The Northgate Sixth Form Bursary Scheme¹ is designed to help those students in need of financial support whilst they undertake their studies. Details of how to apply are shown overleaf and we would really encourage those that may be eligible to submit an application. The purpose of the bursary is to address barriers to learning so that students have the best opportunity to engage in Sixth Form life. Bursary is designed to pay for items that a student would otherwise have to pay for in order to participate. 43 students have benefitted from the fund this academic year.

Throughout the school year we keep an open dialogue with students so that funds can be allocated appropriately throughout the academic year. Bursary funds have helped with the start of course costs, student's daily travel costs, education visits, university visits, laptop/iPad/camera loans, books and other resources. The costs of a school lunch for those bursary students that are not entitled to free school meals has also been supported by these funds.

¹ Bursary Funding is provided by the Government.

² Payment will be stopped where students have been absent for a period of 4 continuous weeks or more (excluding school holidays, or if there is evidence that the student intends to return) and where students have made a decision to withdraw from a study programme.

³ Our students generally conduct themselves extremely well and stopping payments is not a sanction that Northgate has needed to use.
