Why Choose Northgate?

Ofsted 2024

“

Students in the Sixth Form are able to achieve the very highest outcomes because teachers have excellent subject knowledge. After Sixth Form, high proportions of students enter further education, employment or training successfully. Students in the Sixth Form appreciate the opportunities they have to succeed and appreciate that leaders listen to their views.

Trips

Bursary Scheme

The Northgate Bursary scheme is designed to help those in need of financial support whilst they undertake their studies. These funds can be used to help towards the following:

- Travel to Sixth Form
- Lunch
- University visits
- Resources
- Trips
- Laptops

The amount each student receives will depend on their personal needs, but we urge students to make an application if they feel they would be eligible.

Settling-In Feedback from Students

- Comfortable, it has a really great community feeling and everyone is great to talk to.... it has been insightful, and supporting during the settling-in period
- People think it will be like high school, but it is entirely different and the teachers treat you more like young adults
- I feel like I have settled in really well and I am happy to be in a lovely Sixth Form.

Next Steps
