

Duke of Edinburgh Award

Bronze Assessor Report

To be completed by participant

- At the **start** of the activity, please give the assessor the guidance notes on the card in your booklet, so that they are clear on your goals and what their role is.
- At the **end** of the activity, **please give them this form to complete**, rather than using the report template on the assessor card in your booklet. This is to ensure that we have all of the information that we need to approve your award.
- Once the form is completed, please scan it and upload it to eDofE as evidence.
