## **Code of Conduct for Northgate Students Involved in Off-site Activities**

All students need to be familiar with the following:

- All school rules/guidance will be applicable to off-site activities, including no smoking, no consumption of alcohol and no use of illegal substances.
- Students are expected to follow the instructions of school staff and visit centre staff at all times.
- Students are to observe and adhere to the codes of conduct at the place(s) visited.
- In the event of an emergency, students are to inform their group leader immediately and follow any instructions and advice as given by their group leader.

All parents/carers need to be aware of the following:

- In the event of illness, or persistent misbehaviour, parents/carers must be prepared to resume supervision of their child prior to the scheduled completion of the visit. Any costs incurred in collecting the student will be the responsibility of the parent/carer.

---

<sup>i</sup> Students are verbally informed about fixtures as soon as they are confirmed with other schools **and are responsible for sharing this information with their parent/carer(s)**. Some fixtures are known about in advance, but others, due to weather and competition deadlines, can be arranged at very short notice. If a fixture is away, students are transported by school minibus and are always accompanied by a member of the school staff. Emergency contact and medical details are taken from the school system, so it is essential that parent/carer(s) notify the school of any changes. At the end of a fixture students will be free to make their own way home from the Northgate site.
